INCIDENT DESCRIPTION				
<p>Three Alarm Fire Damages Apartment Residences</p> <p>An early Monday morning three-alarm fire at the Brittany Park Apartments damaged three units. Upon arrival, firefighters discovered heavy smoke and fire coming from the two-story apartment complex. The incident commander quickly requested a three-alarm emergency response to extinguish the fire. Fire investigators have determined that a resident's unattended candle caused this fire. At this time, we have no fire related injuries to report. The American Red Cross and apartment management are assisting the families affected by this fire.</p>
