INCIDENT DESCRIPTION				
<p><b>Three Alarm Fire In Downtown Dallas</b></p> <p>Dallas firefighters were called to battle a three alarm apartment fire in downtown Dallas early Monday morning at the recently remodeled Davis building located in the 1300 block of Main Street. Firefighters evacuated the 250 individuals living in the 21 story building without any incident or injury. Fire investigators have determined that an electrical short in a third floor utility room started the fire.</p>
