INCIDENT DESCRIPTION					
<p>14 Year-old Drives Into Day Care Center</p> <p>Seven children were transported to a local hospital with various injuries after a car crashed into the Dream House Learning Center, a day care center located in Pleasant Grove. Dallas Fire-Rescue crews worked quickly to remove, treat, and transport the children, many whom were trapped underneath the vehicle. One adult was treated and released on the scene. At this hour, all of the children with the exception of a ten-year old female have been released from the hospital. The ten year-old suffered burns from the hot engine of the vehicle after being run over.</p> <p>Police say that a 14 year-old was behind the wheel and apparently lost control not long after she began driving. They are investigating the incident.</p>
