INCIDENT DESCRIPTION					
<p>3-Alarm Fire Damages Large Residential Home</p> <p>A homeowner discovered smoke in her home and quickly dialed 9-1-1 before rushing outside. First arriving fire crews reported out with heavy smoke coming out the roof and shortly afterwards transmitted a 2 alarm. Due to the cool weather this morning, the smoke traveled low and at one point actually reduced visibility to drivers traveling on Northwest Highway. Due to the large size of the residence, a 3rd alarm was also transmitted as a precautionary measure.</p> <p>Fire investigators say that an unspecified electrical problem started the fire, which subsequently caused water and smoke damage to various parts of the home. There were no reported injuries.</p>
