<p>Man is Found Dead During a Residential Fire</p> <p>Firefighters discovered the body of an unidentified man in the bathroom of a small wooden frame house in South Dallas. DFD crews reported out with heavy smoke and quickly launched an offensive attack but were hindered by an extraordinary amount of furniture and personal belongings throughout the 1,400 sq. ft. house. Once they entered the home, however, the fire was quickly extinguished. The man appeared to have been the only one inside the house at the time of the fire.</p> <p>Fire investigators will continue their investigation tomorrow morning. There were no other injuries.</p> <p>** 10-29 The victim has been identified as 45 y/o Charlie Lewis Wright. Despite an exhaustive search, DFD investigators have been unable to locate relatives of the victim. They are asking that anyone who knows a relative of the victim or who knows how to get in contact with any member of his family call 214-670-4312.</p>
