INCIDENT DESCRIPTION					
<p>Mother and Daughter Found Dead in Far North Dallas</p> <p>Firefighters battling a structure fire at the Players Club Apartments discovered the bodies of two females in a downstairs apartment unit. The unidentified victims appeared to be a mother, approximately 46 years old, and her daughter, 24, in the two-bedroom apartment. A medium size pit bull was also found dead inside the same general area where the bodies were discovered.</p> <p>The first Firefighters to arrive at the scene encountered heavy fire on the first floor that was quickly spreading on to the second floor of the apartment complex. A man living directly above the apartment where the fire started was able to escape unharmed.
